Weekly Camp Ages 4-8:

Our little campers enjoy learning about ocean animals of all sorts and sizes through games, fun crafts and marine activities. They discover some of the unique traits that make sea creatures special.

Weekly Camp Ages 9-13:

These junior campers take an amazing look at how animals defend themselves from predators and adapt their features to succeed in the sea. Meeting animals up close and personal is an adventure not to be missed!

Weekly Camp Ages 14-17:

Geared for young marine scientists, each camp explores the mysteries of the ocean by diving into research and hands-on experiments. Campers will have tons of fun in the marine habitats on Blue Lagoon and learn about our amazing marine animals!

Day Camp

Only have time for 1-2 days of camp? Book a Day Camp for a great marine adventure!

- Day Camp may be booked for ANY day of Weekly Camp, however the DOLPHIN interaction is only guaranteed on THURSDAYS.
- Animal activities vary weekly
- Maximum of TWO day camps per week per camper
